Dealer Comments
The 2019 Ford F-150 is a used truck that does the everyday stuff without drama. It feels roomy at the wheel and simple to live with: the rear camera makes tight backing easy, power mirrors save the guesswork, and steering wheel controls keep your focus on the road. Set the cruise control on the highway and let it hover while the tire pressure monitor keeps an eye on the rubber. Take the F-150 home and see how it fits.
