Dealer Comments
Meet the 2018 Chevrolet Silverado 1500, a used truck that makes the straightforward jobs feel a little less like work. The rear camera takes the guesswork out of backing into tight spots, and the tinted windows keep the sun and curious eyes at bay. A tire pressure monitor helps you stay on top of routine care without a second thought, while airbags are there where you expect them. Come see the Silverado 1500 and take it for a walk around the block.
Installed Features

- Airbags
- dual-stage frontal airbags for driver and front outboard passenger; Seat-mounted side-impact airbags for driver and front outboard passenger; Head-curtain airbags for front and rear outboard seating positions; Includes front outboard Passenger Sensing System for frontal outboard passenger airbag (Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint.
