#### Dealer Comments

The odometer reads a low 16,845 miles. Some things are too hard to pass up. The rear view camera is perfect for backing into tight spots. You don't have to drive all over town...we have the 2013 Explorer you need in stock. The alarm system is a great feature for parking outdoors. The roof rack is a great space saver. This car includes: a cabin air filtration system, aluminum wheels, rear LED lights, low tire pressure warning and airbags.
