Dealer Comments

Some things are too hard to pass up. A backup camera makes all the difference when parallel parking. Tinted windows not only provide you with added privacy but they work to keep your car cooler during hot summer days. Cruise control is included with this 2013 Traverse to make sure you don't get pulled over for accidentally speeding. Value, reliability, safety... This is the complete package. Don't get caught with flat tires thanks to the included tire pressure monitoring system. Protect you and your family with the car's airbags.
