Dealer Comments

This used 2019 Nissan Altima is the kind of sedan that makes the commute quieter and the weekend drives easier. Leather seats warm up a short trip and make longer ones feel a touch nicer, while the rear camera takes the guesswork out of tight spots. Steering wheel controls and cruise control keep your hands where they belong and your pace steady on the highway. A tire pressure monitor helps you avoid surprises. Come take the Altima for a spin and see how it fits.
