Dealer Comments
This used 2017 Volkswagen Passat handles the daily drive with calm and comfort. Leather seats and heated seats make every trip feel a little more civilized, and the rear camera takes the guesswork out of tight spots. Steering wheel controls keep your focus where it belongs, and cruise control settles in for the long stretch of highway. Practical touches like power mirrors and a tire pressure monitor are already taken care of. Take it for a spin and see how it fits your routine.
