Dealer Comments
Here is a nice used 2016 Dodge Challenger that still makes the driveway feel like an occasion. It has great gas mileage for its class and the dual exhaust tips give you a confident soundtrack without being obnoxious. Inside, steering wheel controls and cruise control keep the drive relaxed, while satellite radio and tire pressure monitoring cover entertainment and basics you actually notice. The coupe also shows off rear LED lights and a security system. Take it for a test drive and see how it fits.
